

ST GREGORY'S QUEANBEYAN

NEWSLETTER

Dear Parents, Carers and Friends,

Welcome to our first newsletter for 2020. Thank you all for such a positive start to the school year and your presence at our Meet and Greet last Tuesday evening. We keep all of our community in our prayers, particularly staff members and families who continue to be on alert with fire conditions. We also pray and thank our wonderful emergency services and RFS personnel who are working tirelessly to protect our communities.

Our students have had a very settled start to the year and I am very proud of the way each student has responded to the structure and routines of the school day at St Gregory's. It was a wonderful celebration of our students and school at Mass this morning.

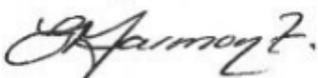

This year, our school vision is ***Everyone will make progress***. This vision is shared across our student, staff and parent community, and we look forward to supporting everyone in achieving this.

At St Gregory's, our 5 Learning Assets encourage our students to be: Communicators, Collaborators, Self-Managers, Researchers and Thinkers. Over the past week, students have developed a classroom agreement with their teachers and, our School rules: Stay safe, Be Fair, Show Respect along with our 5 Learning Assets are part of St Gregory's pedagogy and practice to support and encourage progress for every student.

St Gregory's works in partnership with parents and the community to promote shared responsibility for the education of each child.

Parents and Caregivers are the primary educators of their children. St Gregory's look forward to working with you in 2020 to support the needs of every child and their families.

God bless,

Erin Marmont
Principal (Acting)

From the Principal.....

PRAYERS: Please pray for Isaac Kirkpatrick (6 Gold) and family on the death of his Grandfather.

Our thoughts and prayers are with Claire Frazer, whose Father is gravely ill.

CONGRATULATIONS: Congratulations to Miss Jessica Musgrave and Jon on their recent engagement over the holidays. We also congratulate Mr Lloyd Scroope and Kate on their engagement over Christmas. We wish them all a very happy future together.

STUDENT ILLNESS: From time to time children do get sick. It is sometimes unavoidable. When your child is sick please base your decision on keeping your child at home with the health of other students and staff in mind. It is best to avoid spreading germs and bugs at school. We have some students at school who have compromised immune systems.

DOGS ON PLAYGROUND: Please note, dogs are not permitted on school premises. Thank you for your understanding.

MOBILE PHONES: Please remind students that Mobile phones are not permitted to be used during school hours. If in the case you need to contact your child through the day, please do so via the office.

SWIMMING CARNIVAL: Will be held this Friday 7th February at Queanbeyan Pool for students in Years 3 - 6. The following Friday – 14th February – St Greg's will be hosting the Northern Region Swimming Carnival. The Northern Region consists of the following Catholic Primary Schools – St Bede's Braidwood, St Mary's Crookwell, St Joseph's Goulburn, Ss Peter and Paul's Goulburn and Mt Carmel Yass.

SUPERVISION: Supervision at school commences at 8:30am and finishes with the last school bus. No supervision is available outside of these hours. Therefore, it is very important that children are not on the school premises before 8:30am and/or left after 3:20pm.

Promptness is important. Your child is disadvantaged if he/she is late each morning. Children can also become distressed if left waiting in the afternoon. When approaching the campuses, please keep in mind the 40 kph speed limit and the parking restrictions (as indicated on the appropriate signage). Safe parking is of utmost importance when dropping off and picking up each day. Please do not drive onto the school playground or driveways. Park your car and walk to meet your child. Children being collected by their parents are to wait at the designated areas.

All children being collected must be collected from the school gates.

Low – all students wait in the shade of the big tree. They will not be permitted to go to cars.

MacQuoid – there are two collection points. The Bottom Gate (MacQuoid St) and The Top Gate (Mowatt St). The Bottom Gate at MacQuoid St is a Kiss & Ride pick up/drop off zone and the gutter is painted blue.

LOWE ST PARKING CHANGES: Joanne the Road Safety Officer from Queanbeyan Palerang Regional Council along with Council Rangers will be at Lowe Street from 8am-9am – handing out flyers on parking changes and will be happy to chat with parents and school community about school safety.

DEFENCE MENTOR SUPPORT PROGRAM: This year, we welcome our Defence Support Mentor, Mr Mitchell Pike to the St Gregory's community.

Mitch will be working with students to welcome them into the school community, provide support during times of parental absence, farewell students as they transition to new locations and empower students with a range of skills they will use to navigate life within a military family. Mitch brings a wealth of experience as a youth mentor. He is a former student of St Gregory's and has an abundance of local area knowledge to share.

Mitch will be working closely with Learning Support staff, classroom teachers and the wellbeing team to support our students and their families.

We would like to invite parents and carers to attend a Welcome Morning Tea on Tuesday 11 February at 9am to meet Mitch and our regional Defence representative, Brooke James. This will be held in the Parish Room at MacQuoid St. Please bring along a plate to share.

Mitch and Brooke will also be meeting Defence students at break times on this day to introduce the program. Please encourage your children to come along and bring a plate to share with their Defence peers.

MacQuoid Street Parish Room from 11:00-11:40am and then at Lowe Street in the Library from 1:40-2:10pm.

2020 STAFF: I feel very privileged to be leading the St Gregory's School community and look forward to continuing in this role for Semester One as Claire Frazer continues her role at Catholic Education as the Catholic Identity Officer.

LIBRARY NEWS

At the end of last year we conducted a stock take of all Library Resources. Teachers returned all their classroom books and each book in the library was scanned into the system, so it would have been automatically removed from your child's record if it were found at school. We will be sending out **Overdue Notices** for items not returned in 2019. If you receive one of these notes and you are unable to find the items at home, we are asking for a \$10.00 donation per lost book to help towards replacing the item. We will never stop your child from borrowing, however, they will be restricted to ONE item each week. Please help us find all of library books. Thank you.

UNIFORM SHOP

Thank you for your donations of uniforms. They are much appreciated. We are still in need of small uniform items if you have any at home we would appreciate the donations.

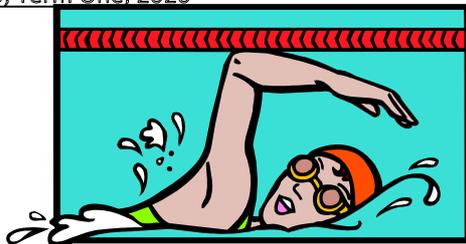

BUS PASSES

Bus passes for 2020 have not, as yet arrived at school from QCity. As soon as they are received they will be distributed to students.

The Premier's Reading Challenge (PRC) is a program to encourage children to read and enjoy a variety of quality stories. Books read need to come from the PRC lists. The Challenge runs from 1 September 2019 to 28 August 2020 and opens on 2 March 2020. Successful completion of the Challenge is rewarded with a Certificate signed by the Premier of NSW. The reading is done mostly at home and parents or students are responsible for recording their books online. K-Yr2 need to read 30 books (may be read to them) and Yrs3-6 read 20 books. We encourage and help students but please note, **recording is done at home, so unless you are prepared to help your child please don't enrol them.** Administration and creating logons is time consuming. Last year there were 50 enrolled students who never attempted to log books online. Please look at the PRC website (online.det.nsw.edu.au/prc/home.html) and decide if this is something you and your child would like to participate in. We help students achieve their goal to complete by having eligible books marked and displayed prominently in the library. Students participating in the Challenge are highlighted in our loans system and we encourage them to borrow eligible books for their level. **However, parents must communicate to their child that they are participating and be prepared to help them log the books online.** Encouragement is given to students in Library lessons and older students are shown how to record their own reading online. Books read to children in class (K-Yr2 only) are also eligible and we automatically add these books to student records. The Challenge allows books read from 1 September 2019 to be included and we have a borrowing history which can be accessed to help out. Recognition is given to students during the Challenge with prizes given for first completed, most completed students in a class, a lucky draw with all completed students having a chance to win. The newsletter and our library page publish a list of students who have completed the Challenge. Last year all Gold and Platinum Certificate students attended a special celebration party. All students participating will need to return the registration form which will be sent out next week. Thank you in advance to those parents who have safely saved their child's user name and password from last year this helps so much with administration.

School Zone Changes For Term 1 2020

To improve safety and congestion there are new parking changes on Lowe Street

- Mobility parking has relocated to a designated bay near the church, has increased to 2 parking bays and features an access area and kerb ramp
- New line-marking for 10 minute parking bays
- New line-marking for non-parking zone at the school gate
- Removal of 2 hour parking for bays on school side
- New 'No Stopping' zones north of the pedestrian crossing
- New bollards to prevent parking on kerb ramps

Be aware of the new changes as parking offences apply if they are used incorrectly including:

PARKING SIGNS
 Parking signs with specified time limits allow drivers to park their vehicles for a certain period of time e.g. 5 minute parking. Parking for longer can result in a fine.
Penalty is \$114*.

MOBILITY PARKING SIGNS
 This sign means that only vehicles displaying a valid Mobility Parking Scheme Authority issued by the RMS may park on that length of road or space. Failure to comply may result in a fine.
Penalty is \$572 and 1 demerit point*.

This is a road safety initiative as part of the local government road safety program
