

ST GREGORY'S QUEANBEYAN NEWSLETTER

Week Six, Term One, 2020
3 March, 2020

Share the Spirit....

Dear Parents, Carers and Friends,

Last week our focus for our Staff meeting was Cyber Safety and yesterday the parent community were presented with the same presentation from ThinkUKnow.

The presentation discussed technologies young people use, the challenges they may face, and importantly, how they can be overcome.

This program aims to provide you with the tools to create a safer online environment for young people in your care. The presentations cover what young people **SAY, SEE** and **DO** online.

Some days (or most days!) it is incredibly challenging to capture our children's attention, when they are more interested in an xbox, youtube channel, iPhone, iwatch or iphone! So how can we as Parents and carers educate our children around cyber safety?

ThinkUKnow is a free, evidence-based online safety program that provides presentations to Australian parents, carers and teachers and students. Topics included within the presentations are specifically aimed at educating and increasing awareness about online child sexual exploitation including avoiding unwanted contact, online grooming, self-generated content, sexual extortion and how to get help.

This week, Think You Know will be visiting Year levels across 3-6 to discuss Cyber safety with our students.

On the following page is some information about ThinkUKnow, along with some helpful links to support parents and carers with Cyber safety for our children.

This week I will be attending the Principals' retreat in Bowral until Friday. I thank staff for their support in being able to attend this conference. I look forward to sharing the information I learn upon my return.

God bless,

Erin Marmont
Principal (Acting)

Some helpful links to support families with online safety...

Parental controls

WHAT IS IT?

Parental controls are designed to manage how children can use their devices in order to protect them from inappropriate or harmful content.

You can restrict access to certain apps, games or websites, the device's camera or can even choose the settings you want on their phone – including the privacy and location settings.

WHY IS IT IMPORTANT?

Tailoring access to specific sites, apps and features is one way to help protect your child from inappropriate or harmful content.

It's a good idea for adults to supervise the use of the internet for children who are under 10.

More information visit their page on **age appropriate content**.

<https://www.thinkuknow.org.au/what-we-see-online#age-appropriate-content>

TOP TIPS!

- Know the device your children are using
- Know how your children are using the device
- Know what parental control options are available

Factsheets for Parents and Carers

The fact of the matter is, both adults and children will be using social media and programs that require us to communicate with others online in some form on a daily basis.

The best way to ensure our safety is to be aware. We encourage parents to be aware of the purpose of apps and programs, aware of the risks associated and what to do if something does go wrong.

At St Gregory's we apply and use appropriate practices to facilitate and support ICT throughout the school. The practices are aligned under the organising elements of the Australian Curriculum: Information and Communications Technologies capacities.

All students who have access to ICT (including use of Chrome books) are to agree and sign an IT agreement which outlines the appropriate use of technology at St Gregory's.

Online bullying is not accepted and certainly won't be tolerated at St Gregory's. Cyber safety is paramount and all students at St Gregory's (including outside school hours) have the right to feel safe.

PROJECT COMPASSION

Project Compassion 2020 Let's Go Further, Together

Spanning through the six weeks of Lent each year, Project Compassion is an extraordinary, ongoing demonstration of the faith, love and generosity of Caritas Australia's caring supporters, all in the name of justice and peace. Millions of Australians come together in solidarity with the world's poor to help end poverty, promote justice and uphold dignity. St Gregory's proudly fund-raise for Caritas Australia through Project Compassion. Please encourage your child to donate throughout Lent; helping people in Australia and overseas. Thank you to the Year 5 teachers and students for leading this valuable program.

National Day of Action against Bullying and Violence

Friday 20 March 2020

From the Principal.....

PRAYERS: We pray for Carol Saad and family following the death of her Father. We pray for Issac Kirkpatrick (6 Gold) and family on the death of his Grandfather. We pray for Amelie Kruger (4 Blue) and family on the death of her Grandfather. We pray for Janelle Eagle and her son who is ill. We pray for our Year 3 Students who will celebrate their Reconciliation Commitment Mass over the next two weekends.

PARENT TEACHER INTERVIEWS: are being held this week for all classes except K Blue. If you have not made a booking and wish to meet with your child's class teacher please email them directly on firstname.surname@cg.catholic.edu.au or by phone 6297 2221.

WHOLE SCHOOL ASSEMBLY: All parents, carers and friends are invited to attend the Whole School Assembly this Friday beginning at 12:30pm. 4Red and 4White will be hosting this assembly helping us to understand what it means to be a community. Visitors are reminded to enter the hall via the back door thus allowing for student entry from the front and side doors.

MOBILE PHONES: Personal Devices are not to be used during school times. St Gregory's philosophy on devices is that the school should provide the necessary hardware, as BYOD initiatives place an unfair burden on parents and families and can enhance inequity based upon families' abilities to purchase such hardware.

A reminder to all families that students are not permitted to ring their parents using their own devices during school hours. To ensure the safety and well-being of all students all correspondence to families is to go through the front office.

PLAYGROUND EQUIPMENT: Please note - Students are not permitted on the playground equipment before and/or after school hours. This is for the safety and well-being of all students. Thank you for your understanding.

BUS STOP and BUS TRAVEL SAFETY: Please remind children of the importance of bus stop safety and appropriate behaviour when travelling to and from school, on the school bus. It has been noted that before school, students have been seen playing close to the road and throwing basketball/footballs at Bus stops. QCity has also notified the school of disrespectful behaviour including inappropriate language being used by some students. Whilst we have encouraged students to use appropriate behaviour at the bus stop and when travelling on the bus, your support in this matter is greatly appreciated.

To help keep our kids safe, it's important for drivers to: slow down in school speed zones during school times, be extra cautious around schools and be aware that young children can be unpredictable and difficult to see.

HOMEWORK CLUB: Barnardos Queanbeyan Homework Club is held each Thursday after school at St Greg's in the Parish Room at MacQuoid Street. The idea for Homework Club came from talking with Aboriginal families at Gatherings in the Park and Stories in the Street Programs, and has been successfully operating at other schools since 2009. Students take part in cultural activities, homework support, reading and writing support, healthy afternoon tea preparation and other group activities throughout the school term and resources are covered by Barnardos. To talk further about your child attending the Homework Club please phone Bronwyn Radford on 6124 3800.

STUDENTS DEPARTING SCHOOL EARLY - Parents/Carers are required to sign out students on the office iPad and then collect their child from the classroom. To minimise interruptions to classes the office staff will no longer call students from class via the PA system. Thank you for your understanding.

SUPPORT FOR OUR COMMUNITY - MORE WATER THAN FIRE: Elizabeth Shen, our school counsellor shares with us some information on Emotion Coaching and how we can support children after the recent bushfires. Please do not hesitate to contact Elizabeth if you have any questions or queries (Elizabeth.Shen@catholiccare.cg.org.au)

CONGRATULATIONS: Under the name 'Cuddles for Cows', Breonie Martin (2 Blue) spent a day last week fundraising for the Cobargo District Emergency Hay Fund. She offered those attending the morning tea an opportunity to 'put themselves in the cow's paddock' for a moment by demonstrating the types of things cows and livestock in general are in desperate need of following the bushfires.

Her cake stall included hay bales (lamingtons), fences (pretzel sticks and liquorice strings), grains and pellets (mixed nuts), water (blue jelly cups), rain (cloud lollies) and most importantly, love (sour heart lollies). An outstanding effort. Well done!

NO NUTS, EGG OR FISH

St Gregory's is a nut, egg and fish free school. There are students who have anaphylactic reactions to these products. If these students come into contact with foods they are anaphylactic to, they can suffer a severe rapidly progressive allergic reaction that is potentially life threatening. To make the environment safe for all, **we aim to be a Nut, Egg and Seafood free school.**

Please do not allow students to bring nuts or products containing nuts to school such as peanut butter, peanuts/nuts of all types, Nutella, nut snack bars, etc.

Foods containing predominantly egg are not to be eaten at school please. These include egg sandwiches, boiled eggs, meringue or pavlova. Non-allergic

students may eat baked goods that contain egg, such as cakes, slices, muffins, etc with care not to share.

No tins, sandwiches or sushi containing fish (e.g. tuna, salmon, etc) please.

SPORT NEWS

Archdiocesan Swimming Carnival

Congratulations to all our students who competed at the Archdiocesan Swimming Carnival at Narooma yesterday. Special mention to Sienna Hamlin, Phoenix Hamlin, Samantha Shelley, Naomi McInnes, Liam Carroll and Isaac Kirkpatrick who will go on to compete at the NSWCPs MacKillop swimming trials in Sydney on 25th March.

AFL

Well done to the Year 5/6 team who competed at AllInsure Oval last Thursday. They will now progress to the Regional Finals to be held in Term 2.

ST GREG'S SCHOOL COUNCIL

18 February - SCHOOL COUNCIL UPDATE

St Gregory's School Community Council reconvened in Week 4 on 18 February 2020. The council's focus has been to set an events and fundraising agenda for the year, including the always popular discos (29 March), and (adults-only) trivia night, scheduled for Term 2.

The Council is consulting with school Leadership and items required across both campuses so that fundraising can be targeted and the school community can work towards a fundraising goal for the year.

Council members are keen to hear your ideas for school improvements, concerns, or would love to chat if you have any questions. If you are unsure who the council members are or what we do, visit the school website at: <https://www.stgregsps.nsw.edu.au/school-community-council> or please email stgregorys.schoolcouncil@cg.catholic.edu.au

Fundraising assistance needed

The School Council is seeking assistance from parents, carers or friends of the school community who would be interested in helping workshop fundraising ideas/strategies, marketing, and seek donors for larger school events, etc.

If you have fundraising or marketing experience or are keen to offer your assistance please email the Council: stgregorys.schoolcouncil@cg.catholic.edu.au

FIRST EUCHARIST

SACRAMENT OF FIRST EUCHARIST 2020 Parents/Carers of Year 4 students

Your child should have brought home registration paperwork for the Sacrament of First Eucharist which will be celebrated in June 2020.

Please complete and return the registration form and payment to the Parish Office before the 30 April 2020.

Please phone the Parish Office on 6299 4611 if you have any questions regarding this sacrament.

Thank you Rita Pelle, SACRAMENTAL OFFICER.

PREMIER'S READING CHALLENGE

Premiers Reading Challenge 2020

The PRC site opened yesterday, Monday 2nd March 2020 for students to log their reading online.

<https://online.det.nsw.edu.au/prc/home.html>

I will be able to register new students and send an email home with their user name and password. Please keep this information safe because user names and passwords remain the same from year to year. It saves much administration time when registering students each year. It also allows your child to compete to be the first child to complete the challenge - books read from 1st September 2019 are eligible to be logged into this year's challenge.

Each student will have their name published in our Newsletter and put on our Library page. The library has kept a loan history for each child and this dates back to 1st September 2019. I am able to send this to you if you request it.

CONGRATULATIONS to the first three students to complete the Challenge: **Ethan Goodchild** (2Red), **George Middleton** (1Red) and **Samuel Jeffries** (3 Red). They will receive a prize at this week's whole school assembly.

Any queries please email - rosalind.wythes@cg.catholic.edu.au
